ISearch and OPAC Updates – Mike Ridinger

- Introducing Fetch
 - ★ New OPAC for young learners
 - ★ **Will replace CAT Jr starting 2021-22 school year**
 - ★ Includes most CAT Jr functionality
 - Visual search available
 - Reading level search
 - ★ Does not allow to place Holds (no “My Account” resources)
 - *Can* link to Isearch right from results to place holds
 - ★ When enabled this year you will see a tiny rainbow paw print on the Cat Jr login where you can try it out. (available to all in spring 2021)
 - Reach out to your ITC if you want to pilot sooner
- ISearch Mobile
 - ★ Available next to “My Lists” near the top right ISearch banner
 - ★ Does everything ISearch does, even holds
 - ★ *Also works on Desktop...*simplifies it so that even younger students can use ISearch
 - will let you link to result for a book (regular ISearch only has pop ups)
 - ★ Beginning Jan will automatically be displayed on mobile devices
 - ★ Can link directly to it if you add ?ic=true to the ISearch URL
 - ★ Updating ISearch documetationand PD learning pathways

ISearch and ISearch Mobile handle holds very well. If using holds please use these options.

Younger users might be able to do ISearch Mobile (and prefer it).
